## Collective Worship Reflections

In our collective worships this week we have been discussing New Year's Resolutions and being Agents of Change; doing something positive in our lives or to improve the lives of others. During our Wednesday reflection time children shared their thoughts on this reflection question - What will you do to be a positive agent of change? Many focused on their studies in school, but some considered how they treat the environment and others reflected on how they interact with their siblings.

### NEXT WEEK - REMINDERS

Monday 12th	Rail Network Safety Workshop – Y5 and Y6 NSPCC Assembly (whole school) (see parent email sent on 8/1/2026)
Thursday 15 <sup>th</sup>	Treat Shop Thursday

## Worker of the Week

### NIGHTINGALE

**Clark** for doing great handwriting and reading - well done Clark for showing great perseverance.

**Nancy** for doing amazingly in her Maths work, completing the challenge. Well done Nancy!

### BOWIE

**Lola** for a great start to the new term, a positive learning attitude and always having a smile on her face.

**Harper** for having a positive attitude to her learning and working independently on her writing.

### ANNING

**Olivia** for showing wonderful imagination and improvisation skills, creating a dance inspired by an erupting volcano! Bravo, Olivia!

**Lacey** for showing wonderful imagination and improvisational skills, creating a dance inspired by an erupting volcano! Bravo, Lacey!

### ZEPHANIAH

**Ava** for being an active learner during our curriculum sessions this week.

**Cory** for remembering lots of key information about our past learning on prehistoric and Roman Britain.

**Eliza** from Bowie Class and **Lottie** from Nightingale for being helpful on the playground.

**Templecombe Token Certificates**

Congratulations go to **Cory** and **Amelia** from Zephaniah Class for achieving their Bronze Templecombe Token award.

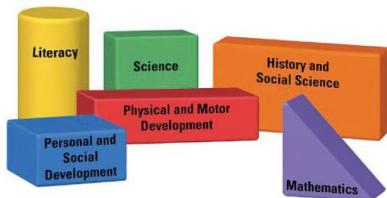

### Out of School Achievements:

Congratulations to:

- **Scarlett** in Bowie Class for being awarded novice gold merits 2025, Participation Award in Wincanton Carnival, the Junior Effort 2025 Award as well as the Laver Memorial Award for "Little Miss Character" all from Cygnets Castle Cary

**A big well done to all of you!**

*If your child achieves an award, medal or trophy through participating in an outside-of-school club or activity, we would love to hear about it and congratulate them at our weekly Wednesday worship. Please bring certificates etc to the school office.*

## Our Curriculum

### Spring Term Curriculum Maps

Emails were sent out to parents today attaching the Spring Term Curriculum map for your child's class. The class maps are also on our website if you need to refer to them at any point.

### Trading Items

Several children have brought items in from home today and traded them with other children in school. As best we can, we have returned items to their rightful owners and would ask parents to discourage children from bringing items in from home (unless prearranged due to a medical need or for, say, Show and Tell). Items brought into school are invariably mislaid or damaged which of course, leads to upset so it is best to keep things safe at home.

### Roadworks

We have contacted Wessex Water today regarding the road closure signs on the main road, scheduled for 12<sup>th</sup> January. They confirm that this will, in fact not be a road closure, but the road will have traffic light controls for works to be carried out between 9.30am and 3.30pm so school drop offs/pick ups shouldn't be as severely impacted as a closure would cause.

### After School Clubs

These are available to book on the Arbor portal before the deadline of 10am on Monday 12<sup>th</sup> January. This half term's choices are Yr3-6 Multi-Sports (Monday), Yr2-6 Choir (Wednesday), Yr2-6 Board Games (Thursday) and Yr1-2 Multi-Sports (Friday). Mr Ferrari will be doing the Multi-Sports and Board Games and Miss Ash is running the Choir. These clubs will run from 3.30pm-4.15pm on the designated days at a cost of £10 per child for this half term.

### Parent Survey Feedback

As you know your feedback is incredibly important to us and helps us continue to strengthen our partnership with you and improve our school community. We were delighted to hear that so many of you feel your children are happy,

safe, and well supported at school. Many of you commented on the welcoming atmosphere, the friendliness and dedication of our staff and the strong sense of community. It is wonderful to know that children enjoy school and feel settled.

You also shared some helpful suggestions on how we could improve further – particularly around giving more advance notice of events and making communication even clearer and easier to follow. We are listening and we are already working on some ways to make this even better.

### What We Are Working on Next

To help make communication even clearer and more accessible, we plan to:

- Provide clearer reminders ahead of school events.
- Highlight any new or updated information more clearly in newsletters – we have introduced a ‘Next Week - Reminders’ box in addition to highlighting new events in green on the diary dates list at the end of each week’s newsletter.
- We will share a simple guide to help you know the best way to communicate with teachers (e.g. email, phone call, quick chat, or requesting a meeting).
- Continue to provide opportunities for informal conversations at the classroom door (pick up) and during open afternoons.

We are very proud of the strong relationships we have with our families, and your support and partnership are essential in helping us to provide the very best education and care for your children. Thank you once again for your honesty, positivity, and ongoing support.

### **Empowering Parents Programme**

**Empowering Parents Programme**  
**Session Four**

 This 60-minute session, led by Emma Hemmings from The Essential Safeguarding Company, helps parents understand online gaming, explore risks such as chat, privacy, and spending, and learn practical ways to keep children safe and gaming responsibly.

We will also look at new and upcoming changes to restrictions on Xbox and Roblox, including age verification, parental controls, chat restrictions, and spending limits, so you are as up-to-date as possible on how best to protect your children while they play.

By the end of the session, parents will have practical tips and tools to manage gaming safely, set boundaries, and have meaningful conversations with their children about online play.

Online      29<sup>th</sup> January 2026      6pm - 7pm

The next session in the *Empowering Parents* series is taking place **online on Thursday 29th January 2026 at 6.00pm**. This session will focus on **online gaming** and will explore how parents and carers can support children to engage with this popular hobby safely, positively, and responsibly.

The session will provide practical tools, insights, and strategies to:

- Understand the online gaming world and why it appeals to children
- Recognise potential risks, including online safety and wellbeing concerns
- Support healthy boundaries, communication, and positive gaming habits
- Help children enjoy gaming safely while maintaining balance

Anyone wishing to attend the session will need to register for a ticket using this link:

### **Children’s Commissioner – Digital Guide for Parents**

Please do look at this new online guide shared by the Children’s Commissioner, which shares helpful information on helping children navigate our digital world [What I wish my parents or carers knew: A guide for parents on managing children’s digital lives.](#)

# Every Learner Matters

## The Importance of Routines for Children

Many children — not only those with additional needs — rely on routines to feel safe and calm. Predictable routines reduce anxiety, improve behaviour and help children transition smoothly through the day. In school, routines include consistent start-of-day procedures, clear visual schedules and structured expectations. These help children know what to expect and how to succeed.

At home, simple routines such as regular bedtimes, morning checklists or consistent after-school times can reduce stress and support learning. Strong routines build confidence and help children thrive both academically and socially.

## And finally...

Happy New Year to you all! We are all so impressed with how well the children have settled back into school life. Already this week we have seen lots of great learning! Wishing you all a wonderful weekend.

*Mrs Brazier*
