Collective Worship Reflections

This week we have continued our focus on moving our way through the Bible. The stories were 'Jesus in the Temple (aged 12)' and 'Jesus is Baptised', with the principal theme being we all have special gifts and special jobs to do in life. Emerald class focused on a recipe for a good life and how we can help others have a good life, with Jessica sharing "smiling at someone", Amina said "We all need to stop polluting our world" and Rebecca shared "Check on people when they look sad". All very good suggestions.

Worker of the Week

Diamond

Rupert for great behaviour this week, setting a brilliant example to all of the children in our class.

Sienna for always choosing to be a kind and considerate friend to others. Sienna has had a fab week!

Emerald

Isaac for showing a mature and responsible learning attitude.

Olivia for great learning in Maths and super focus all round.

Oscar for being amazing in class over the last two weeks.

Ruby

Tyler W for his excellent work in Maths, recognising tenths as decimals.

Hayden for working extremely hard on his handwriting and producing some excellent work in English.

Topaz

Marcus for writing a very factually accurate and extremely humorous guided tour of the digestive system.

Evelyn for improved confidence in asking for help when she doesn't understand something.

Templecombe Token Certificates

Bella in Emerald Class, Lilly and Tyler W in Ruby Class and Sebastian, Layla, Memphis, Phoebe, Ruby, Jamie, Isabella, Taylor, Evelyn and Andrew in Topaz Class have all achieved their Bronze Templecombe Token certificate this week.

Alina, Hana, Patrick, Zack, Toren and Livia from Topaz Class have all achieved their Silver Templecombe Token certificate this week. A big well done to all of you!

Updates

Watches

Whilst we encourage the wearing of a watch to help children practise telling the time, we would like to remind parents that smart watches that access the internet, receive calls or take photographs are strictly not allowed in school, regardless of whether you feel you have deactivated this function.

Planting Trees

This week Topaz class began planting the free trees we have received from the Woodland Trust. This year we are planting along our boundary facing the new Thales development; hoping to create a natural screen.

Collections of empty crisp packets continue for sending off to Terracycle and books/cd's/dvd's (which must have a barcode) for Music Magpie, as well as using AmazonSmile when shopping – all these things continue to raise funds behind the scenes which is vital, especially as we are unable to run public events at this time. Thank you to those PTFA volunteers who are emptying our collection bins and keeping these collections running smoothly.

A PTA meeting will be taking place on Tuesday 25th May at 6pm to discuss future events and ways to continue supporting the school moving forward. It is very much hoped that this will be able to take place in the school hall.

We hope you all have a restful and enjoyable weekend.
